

## Planning an event?

From an extravagant wedding at an historic mansion  
or  
A 50th Anniversary at the local VFW  
or  
Even an elegant small backyard wedding.

- We have packages starting from 18 per person on up. (Depending on how elaborate you decide to make it.)
- We guarantee every expectation will be met. If any part of your event isn't exactly what you expected, we will make it right or you don't pay. It's that simple.
- We insist on FREE tastings. Everybody says they have the best food. But few are willing to prove it. The day of your event is a terrible time to find out you don't like someone's food.

So call today to set up your free tasting and you'll see that we can make your event everything you dreamed it would be.
